DATA7201 - Project Report

Introduction (15)				
Description of the general area of big data analytics	Description missing (0)	Very brief description (1-2-3)	Good description (3-4)	Excellent description (5)
Motivation of the need for distributed system solutions with practical examples	Motivation missing (0)	Very brief motivation with no examples (1-2-3-4)	Good motivation with no examples (5-6-7)	Excellent motivation with relevant examples (8-9-10)
DataSet Analytics (50)				
Description of the main focus of the analysis	Description missing (0)	Very brief description (1-2-3)	Good description (3-4)	Excellent description (5)
Description of the dataset used in your report	Description missing (0)	Very brief description (1-2-3)	Good description (3-4)	Excellent description (5)
Description of the pre-processing steps you took	Description missing (0)	Very brief description (1-2-3)	Good description (4-5-6)	Excellent description (7-8-9-10)
Use of adequate analytics methods (both tools and techniques)	The tools and techniques used are not appropriate for the set objective (0-1-2-3)	The tools and techniques used are reasonable for the set objective (4-5-6-7-8-9-10)	The tools and techniques used are a very good choice for the set objective (11-12-13-14-15)	The tools and techniques used are an excellent choice for the set objective (16-17-18-19-20)
Quality of the result presentation	Results missing (0)	The results are not presented in an appropriate manner (0-1-2-3)	The result presentation is good (4-5-6)	The result presentation is excellent (7-8-9-10)
Discussion (25)				
Summarise and discuss the main findings of your analysis and lessons learned	Summary and discussion missing (0)	Very brief summary and/or discussion (1-2-3-4)	Good summary and/or discussion (5-6-7-8-9)	Excellent summary and/or discussion (10-11-12-13)
State the main message the reader should come away with from your data analysis.	Main message missing (0)	Very unclear description (1-2-3)	Clear description (4-5-6-7-8)	Excellent description (9-10-11-12)
How well you communicate your findings (10)				
Overall writing and communication quality		Poor writing, structure, and overall communication quality (0-1-2-3)	Good writing, structure, and overall communication quality (4-5-6)	Excellent writing, structure, and overall communication quality (7-8-9-10)
